The facts set forth in this affidavit are known to me as a result of my investigation and interviews with other agents and law enforcement officers. These are not all the facts known to me throughout the course of this investigation, but rather only those that are essential to establish probable cause for charging a complaint against **Edward Kriglstein** for the federal violations listed herein.

This Affidavit is made in support of the issuance of a Criminal Complaint charging **Edward Kriglstein** with a violation of Title 21 USC § 841(a)(1) and (b)(1)(B), Possession With the Intent to Distribute Methamphetamine.

PROBABLE CAUSE

On February 8, 2016, Agent Jeff McKinley, DEA Task Force Officer Biff Kellum, Bernalillo County Sheriff's Deputy Sgt. David Funes and Bernalillo County Detective Jerry Koppman were attempting to locate Edward Kriglstein regarding an active arrest warrant out of Bernalillo County, New Mexico, for the offense of Violation of Probation for Trafficking a Controlled Substance and Possession of a Controlled Substance. The cause number of the warrant was D-202-CR-2009-03345. Agents and Deputies received information Kriglstein was operating a white Buick passenger vehicle, and was going to be in the area of the Village Inn at Juan Tabo and Lomas Boulevard. At approximately 10:42 p.m., Deputies observed a white Buick passenger vehicle pull into the south side of the Village Inn at Juan Tabo and Lomas in Albuquerque, New Mexico. Deputies Koppman and Funes pulled behind the vehicle, as SA

McKinley arrived seconds later. Deputies began approaching the vehicle, and SA McKinley observed the driver turn toward the driver's side window. SA McKinley recognized the driver, who proved to be the sole occupant of the vehicle, as Edward Kriglstein. Deputies ordered Kriglstein from the vehicle, and he was handcuffed by Deputy Koppman.

The aforementioned arrest warrant was again confirmed. SA McKinley asked Kriglstein his name and date of birth, and he refused to give either. Deputies then began to inventory Kriglstein's vehicle pursuant to his arrest, and SA McKinley spoke with the Village Inn manager on duty at the time, and she advised SA McKinley she wanted the vehicle towed from the lot if the owner was being arrested.

During the inventory of the vehicle, Deputies Koppman and Funes located, in the trunk of the vehicle within a tool bag, a plastic bag containing a crystalline substance believed to be methamphetamine. SA McKinley later field tested the substance, which tested positive for methamphetamine and weighed an approximate 153.5 gross grams. Additionally, in the trunk of the vehicle, Deputies located a mason jar containing a substance believed to be marijuana, a set of digital scales, a small notebook containing numerous names and number notations believed to a "drug ledger". Further, Deputies located an open box of Great Value brand sandwich baggies near the suspected marijuana, which is often indicative of drug trafficking, as well as one Samsung cellular phone which was nearly fully charged. Deputies also located pills within four small Ziploc bags. As of the writing of this document, the pills have yet to be identified. Additionally, Deputies located a large amount of U.S. currency on Kriglstein's person. The currency has yet to be counted.

Agents attempted to speak with Kriglstein, but he stated he wished to speak to his attorney before answering questions. Kriglstein later answered routine booking questions for Task Force Officer Kellum, and notably stated he was transient at present.

Based on the aforementioned information, Edward Kriglstein knowingly and intentionally Possessed With The Intent to Distribute a Controlled Substance, to wit methamphetamine, contrary to 21 USC § 841(a)(1) and (b)(1)(B).

I declare under the penalty of perjury that the foregoing is true and correct to the best of my knowledge.
